Study Iq is introducing a comprehensive Anthropology Optional Course cum Test Series Programme. The objective of this course is to help students understand the subject matter more conceptually as well as to impart answer writing skills to the students.

Anthropology Optional Batch 2024

It is said that Optional determines the destiny of UPSC journey. It is the most important weapon to conquer this exam. To get into the final list, one must ace the optionals.

Let's start with understanding the Merits of Anthropology optional.

1 >

Major overlap with multiple GS papers.

2 >

It is the shortest major optional & time-saving in nature

3 >

Scoring 300+ is easier compared to other major optionals.

4 >

It is the only major optional with over 10% success rate from 2013-19

5 >

It is the only optional with two AIR-1 in past 5 years

6 >

It can be considered as the only optional which acts like a bridge between humanities & science.

Features of the Course

1

400+ hours of live lectures spread over 5 months

2

Comprehensive coverage through high quality lecture notes

3

Hand written notes and crux will be provided in English

4

Live answer writing program under the guidance of faculty

5

Previous Year Questions discussions

6

Doubt clearing sessions by the faculty

A few orientation sessions are planned in the beginning where students will be guided on how to prepare for the optional.
