# Why Optional Matter in UPSC CSE

Choosing the right optional subject in UPSC CSE Mains can significantly influence your chances of success. It's a highly strategic decision and should be based on multiple factors such as your background, interest, aptitude, availability of resources, and overlap with GS papers. Below is a detailed evaluation of each of the subjects you mentioned — both English and Hindi medium options — to help you make an informed choice:

## Optional Subject

### The Hidden Power in UPSC Mains

#### The Real Differentiator

While GS papers level the field, the optional creates the **gap**. Many toppers owe their ranks to an outstanding optional score.

#### 500 Marks at Stake

Optional contributes **500 out of 1750** marks in the Mains exam. A high score here can transform your final rank.

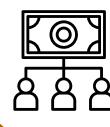

#### Scoring with Strategy

Optional subjects, with a **well-defined syllabus** and **less competition**, offer a chance to score **much higher** than GS papers — if approached smartly.

#### Subject Familiarity Pays Off

Choosing an optional aligned with your **interest** or **academic background** makes preparation smoother and answers stronger.

#### Overlap = Smart Preparation

Subjects like PSIR, Sociology, and Anthropology offer content that overlaps with **GS, Essay, and Interview**, giving you **multiple benefits** from single preparation.

# Exploring the Merits of Anthropology

## EXTENSIVE GS OVERLAP

Significant synergy with multiple GS papers, especially GS I (Society), GS II (Governance), and GS III (Science & Tech, Environment), reducing overall prep load.

## CONCISE & TIME-EFFICIENT

Anthropology is considered one of the shortest major optionals, allowing you to complete the syllabus quickly and focus more on revision and other papers.

## HIGH SCORING POTENTIAL

Scoring 300+ marks is relatively more achievable compared to many other optionals, with proper strategy and answer writing.

## DYNAMIC APPLICATION OF CONCEPTS

The only major optional with a 10%+ success rate (2013–2019) — a strong indicator of its reliability and consistency.

## TOPPER'S CHOICE

Anthropology is the only optional to produce 2 AIR-1 rankers in the last 5 years, highlighting its potential to secure top ranks.

## A PERFECT BRIDGE BETWEEN HUMANITIES & SCIENCE

With its unique blend of scientific concepts and socio-cultural analysis, Anthropology caters well to both science and humanities backgrounds.

# Director's Desk

Dear UPSC Aspirants,

At StudyIQ IAS, we know that the journey to becoming a civil servant is not just about studying—it's about dreams, struggles, and relentless perseverance. We have walked this path with thousands of aspirants, learning from your challenges, evolving with your needs, and celebrating your victories. Today, we take that commitment one step further with our most comprehensive and inclusive program yet—The FOUNDATION Batch.

This is not just another course; it's a game-changer. Whether you are starting fresh or refining your strategy, FOUNDATION provides everything you need—from live & recorded lectures, handwritten notes, structured test series, daily quizzes, answer writing practice, interview guidance, and one-on-one mentorship—all in a single, well-structured program. We believe financial constraints should never hold back a dream, which is why we offer affordable pricing, a full fee refund for those who clear Prelims, and ₹11,000 rewards for top performers.

More than just a batch, FOUNDATION is a promise—a promise that no matter where you are in your UPSC journey, you will never feel alone. You will have the best resources, unwavering mentorship, and a community that supports you at every step. This is your time, your moment—to rise, to conquer, and to turn your dream into reality.

Join the FOUNDATION Batch today and take the first step towards your IAS dream with confidence!

Best Regards,  
Director's Desk
