Why Optional Matter in UPSC CSE

Choosing the right optional subject in UPSC CSE Mains can significantly influence your chances of success. It's a highly strategic decision and should be based on multiple factors such as your background, interest, aptitude, availability of resources, and overlap with GS papers. Below is a detailed evaluation of each of the subjects you mentioned — both English and Hindi medium options — to help you make an informed choice:

Optional Subject

The Hidden Power in UPSC Mains

500 Marks at Stake

Optional contributes **500 out of 1750** marks in the Mains exam. A high score here can **transform your final rank.**

The Real Differentiator

While GS papers level the field, the **optional creates the gap.** Many toppers owe their ranks to an outstanding optional score.

Scoring with Strategy

Optional subjects, with a **well-defined syllabus** and **less competition,** offer a chance to score **much higher than GS papers** — if approached smartly.

Subject Familiarity Pays Off

Choosing an optional aligned with your **interest or academic background** makes preparation smoother and answers stronger.

Overlap = Smart Preparation

Subjects like PSIR, Sociology, and Anthropology offer content that overlaps with **GS, Essay, and Interview,** giving you **multiple benefits from single preparation.**

Exploring the Merits of Anthropology

EXTENSIVE GS OVERLAP

1

Significant synergy with multiple GS papers, especially GS I (Society), GS II (Governance), and GS III (Science & Tech, Environment), reducing overall prep load.

CONCISE & TIME-EFFICIENT

2

Anthropology is considered one of the shortest major optionals, allowing you to complete the syllabus quickly and focus more on revision and other papers.

HIGH SCORING POTENTIAL

3

Scoring 300+ marks is relatively more achievable compared to many other optionals, with proper strategy and answer writing.

DYNAMIC APPLICATION OF CONCEPTS

4

The only major optional with a 10%+ success rate (2013–2019) — a strong indicator of its reliability and consistency.

TOPPER'S CHOICE

5

Anthropology is the only optional to produce 2 AIR-1 rankers in the last 5 years, highlighting its potential to secure top ranks.

A PERFECT BRIDGE BETWEEN HUMANITIES & SCIENCE

6

With its unique blend of scientific concepts and socio-cultural analysis, Anthropology caters well to both science and humanities backgrounds.
