CSAT, or the Civil Services Aptitude Test, is an important component of the UPSC (Union Public Service Commission) examination. It is a qualifying paper that tests the aptitude and analytical abilities of candidates aspiring to become civil servants in India. CSAT ensures overall competence of the aspirant to become an able and efficient bureaucrat.

The CSAT juggernaut has certainly become an Achilles heel in breaking the prelims barrier. The increasing difficulty of the exam has resulted in many aspirants failing in the prelims despite high GS scores. To overcome this problem StudyIQ is launching the most comprehensive CSAT course in 100 live classes.
