**Master Spoken English &
Communication Skills**

19th February' 24

4:30pm

This Batch is for you, if you

Struggle with Fluency, Fumbling & Low on Confidence.

We identify the mistakes and correct them on spot in our 1-on-1 Practice sessions.

Fear that others will laugh at you

This is the biggest hurdle for someone trying to speak a new language. Our classes are so fun that they make you forget this 'fear factor' and ace English in real world situations.

Poor in English/ From Hindi Medium Background

We have all been there. A Good English Speaking Environment is all you need to improve! And we provide that.

If you can write in English but cannot speak

Believe us, it happens. It is natural and when you can write English, you are already half way there. Our classes will build you the Confidence to speak English and communicate better.
