

# Spoken English

**Zero to HERO**

# **This Batch is for you, if you**

**Struggle with Fluency,  
Fumbling & Low on  
Confidence.**

We identify the mistakes and correct them on spot in our 1-on-1 Practice sessions.

**Fear that others will  
laugh at you**

This is the biggest hurdle for someone trying to speak a new language. Our classes are so fun that they make you forget this 'fear factor' and ace English in real world situations.

**Poor in English/ From  
Hindi Medium  
Background**

We have all been there. A Good English Speaking Environment is all you need to improve! And we provide that.

**If you can write in  
English but cannot  
speak**

Believe us, it happens. It is natural and when you can write English, you are already half way there. Our classes will build you the Confidence to speak English and communicate better.
