It is said that Optional determines the destiny of UPSC journey. It is the most important weapon to conquer this exam. To get into the final list, one must ace the optionals

StudyIQ is here with its **Geography optional Course. Let's start with understanding the merits of **Geography Optional****

- Most scientific and logical subject, easy to understand. The use of maps gives a pictorial representation to understand the subject well
- Covers most of the GS topics such as World Geography, Indian Geography, Environment, Ecology, Disaster Management, etc.
- Easy to score 300+ with a perfect strategy
- Geography optional students have an edge to answer 30+ questions in Prelims easily.
- Abundance of Sources are available from basic books like NCERTs to advanced books.
- One of the highest selections and rewarding optional subject year on year.

Features of the Course

A few orientation sessions are planned in the beginning where students will be guided on how to prepare for the optional.
