Study Iq is introducing a comprehensive Geography Optional Course cum Test Series Programme. The objective of this course is to help students understand the subject matter more conceptually as well as to impart answer writing skills to the students.

Geography Optional Batch 2024

It is said that Optional determines the destiny of UPSC journey. It is the most important weapon to conquer this exam. To get into the final list, one must ace the optionals.

Let's start with understanding the Merits of Geography optional.

Features of the Course

1

› 400+ hours of live lectures spread over 5 months

2

› Comprehensive coverage through high quality lecture notes

3

› Handwritten notes and Crux are provided in English

4

› Live answer writing program under the guidance of faculty

5

› Previous Year Questions discussions

6

› Geography Current affairs to keep the aspirant updated

7

› Doubt clearing sessions by the faculty

A few orientation sessions are planned in the beginning where students will be guided on how to prepare for the optional.
