

MP SPECIAL & CURRENT AFFAIRS BATCH 2027

10th September 2026

Strengthen Your MPPSC Preparation with Focused MP Special & Current Affairs

For MPPSC aspirants, success depends not only on mastering static subjects but also on having a strong command over **Madhya Pradesh-specific knowledge and current developments**. With the growing importance of state-specific questions and dynamic content, a focused approach to MP Special and Current Affairs can significantly strengthen your overall preparation.

To address this need, **StudyIQ presents MP Special & Current Affairs Batch 2027 by Rahul Baghel Sir**—a comprehensive programme designed to bring together complete MP Special coverage, regular Current Affairs classes, bilingual learning, continuous mentorship, and focused revision resources under one roof.

92-8999-6921

Key Features of the Programme

Complete MP Special Syllabus Coverage

- Comprehensive coverage of important MP-specific topics aligned with the requirements of MPPSC examinations.
- Focus on essential facts, concepts, developments, and state-specific areas to build a strong foundation.

Weekly Current Affairs Classes

- Regular live sessions covering important national and Madhya Pradesh Current Affairs relevant to MPPSC.
- Consistent weekly coverage ensures that aspirants stay updated without accumulating a last-minute Current Affairs backlog.

Hindi-Based Comprehensive Learning

- **Complete instruction in Hindi** with clear, exam-focused explanations of MP Special and Current Affairs.
- **Simple & accessible teaching approach** to ensure better conceptual clarity, retention, and effective revision.

Weekly Group Mentorship & Doubt-Clearing Sessions

- Regular group mentorship sessions provide preparation guidance, strategy, and clarity on important academic challenges.
- Dedicated doubt-clearing interactions help aspirants resolve queries and stay consistent with their preparation.

Access to Prelims Test Series

- Practice with examination-oriented tests designed to assess your preparation and strengthen question-solving ability.
- Regular testing helps improve accuracy, speed, time management, and familiarity with the MPPSC Prelims pattern.

Crux Notes & Topic-Wise Cheat Sheets

- Concise Crux Notes simplify important concepts and make revision faster and more effective.
- Topic-wise Cheat Sheets provide quick access to essential facts and last-mile revision points.

Dedicated Community Group – Telegram

- Stay connected with regular updates, important announcements, quizzes, and programme-related information.
- Use the community platform for continued engagement, academic discussions, and preparation support.
