

MPPSC

NISHCHAY 2028

**A 3 Year Foundation
Programme**

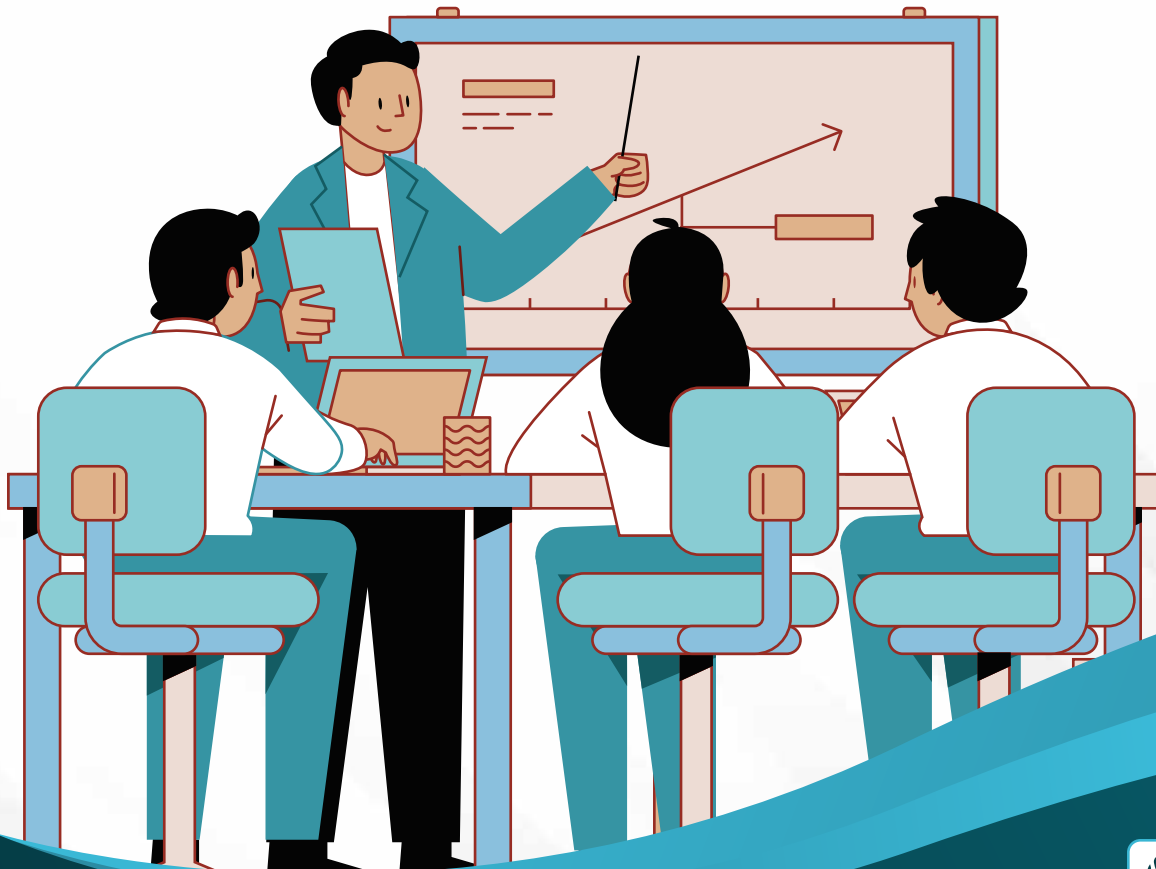

01st May 2026

Introduction

MPPSC preparation is a long-term process that demands conceptual clarity, disciplined practice, continuous mentorship, and strategic progression across all stages of the examination. The MPPSC Long-Term Foundation Programme 2028 by StudyIQ is designed as a comprehensive, stage-wise roadmap that guides aspirants from foundational learning to Prelims, Mains, and Interview readiness. Structured into Pehla Padav, Dusra Padav, and Antim Padav, this programme ensures gradual skill development, exam alignment, and sustained confidence throughout the preparation journey.

PHASE I: Pehla Padav - Foundational Clarity (NCERT Phase)

1. Live NCERT Classes (300+ Hours)

- Subject-wise, phased teaching to build strong conceptual foundations.
- Focus on clarity of basics before transitioning to advanced GS preparation.
- Interactive sessions to strengthen understanding and retention.

2. Daily MCQ Practice

- Topic-wise MCQs aligned with NCERT concepts.
- Reinforces learning and improves factual accuracy.
- Builds early exam orientation and consistency.

3. Faculty Interaction & Mentorship

- Regular interaction with subject faculty for doubt resolution.
- Weekly mentorship webinars to guide preparation strategy.
- Early academic discipline and confidence building.

4. NCERT Book Set (Hard Copies)

- Complete NCERT coverage provided in physical format.
- Enables structured reading and note-making habits.
- Supports offline revision and disciplined study routines.

5. Class Schedule

- **Regular Classes:** Monday to Friday | 6:00 PM – 8:00 PM
- **Weekly Revision:** Every Saturday | Dedicated revision session

PHASE II: Dusra Padav – Advanced GS, MP Special & Skill Development

1. Advanced Live Classes (1000+ Hours)

- In-depth GS preparation integrated with MP Special and CSAT concepts.
- Concept-driven teaching focused on analytical understanding.
- Parallel preparation for both Prelims and Mains.

2. Books & Study Material (Hard Copies)

- 7-book GS set along with dedicated MP GK book.
- Detailed class notes and crux lecture summaries for revision.
- Exam-oriented content aligned with MPPSC syllabus.

3. Daily Answer Writing & MCQ Practice

- Regular answer writing to build structure and presentation skills.
- Daily MCQs to strengthen accuracy and speed.
- Integrated approach for Prelims and Mains preparation.

4. Weekly Tests (Prelims & Mains)

- Regular assessments to track progress and identify gaps.
- Encourages consistent revision and performance improvement.
- Helps develop exam temperament.

5. Current Affairs Integration

- Weekly current affairs classes with national and MP focus.
- Monthly Current Affairs Magazine (PDF) for structured revision.
- Enables value addition in answers with contemporary relevance.

6. Special Focus Areas

- **MP-Specific Coverage:** History, geography, economy, polity, governance.
- **Tribal Studies Classes:** Dedicated sessions for high-weightage topics.
- **CSAT Focus:** Concept clarity, practice drills, and strategy building.

7. Mentorship & Personality Development

- One-to-one mentorship for personalised guidance.
- Group mentorship by faculties for peer learning and strategy.
- Monthly personality development webinars focusing on attitude, behaviour, and emotional intelligence.

8. Recorded Class Access

- Unlimited access to recorded sessions for revision.
- Flexible learning support for missed or repeated topics.
- Ensures continuity without academic loss

PHASE III: Antim Padav – Final Readiness for MPPSC 2028

1. MPPSC Prelims 2028 Preparation

- Dedicated Prelims Crash Course with 300+ focused hours.
- 40+ Prelims Test Series to master accuracy and speed.
- MP-centric current affairs coverage with strategic test discussions.

2. MPPSC Mains 2028 Preparation

- Dedicated Mains Crash Course with 400+ hours of advanced classes.
- 20+ Mains Test Series with detailed evaluation.
- Emphasis on answer structure, content depth, and presentation.

3. Mentorship-Led Strategy Sessions

- Performance analysis and personalised strategy building.
- Guidance on time management and question selection.
- Continuous support till examination.

Interview Guidance Programme (IGP) 2028

- Structured interview preparation focusing on personality, attitude, and administrative aptitude.
- Mock interviews, current affairs articulation, and MP-specific issue discussions.
- Expert mentorship to refine communication skills and board-level confidence.
