HOW WILL IT HELP

MULTIPLE PRELIMS FAILURE STUDENTS?

WHY STUDENTS FAIL PRELIMS AGAIN & AGAIN

1. Information overload (too many books, notes, PDFs)
2. Weak static–current linkage
3. Poor MCQ elimination skills
4. Low retention & revision failure
5. Lack of strategy, not lack of effort

HOW THE PROGRAMME HELPS:

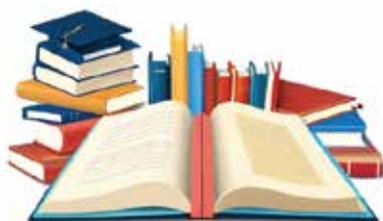

1. Topic-wise PYQ-mapped question
2. Focus on how NOT to choose wrong options
3. Focus on high-frequency areas
4. +15 in real exam with same knowledge
5. Working on weak area after test analysis
6. One to one mentorship for all students

HOW WILL THIS PROGRAMME MAKE YOU PREPARE FOR THE WORST?

1. Trains You for the Toughest Possible Prelims Paper
2. when the actual paper is tough, it feels familiar, not shocking.
3. Use two-option elimination effectively
4. Apply intelligent guessing with risk control
