NCERT books are must read books if you want to crack UPSC and other government exams. **Why?**

**You can not build a great building on a weak foundation.  
NCERT is the base for all the government exams.**

### **When should you read them?**

The answer is very simple. From the very first day you decide to become an officer. Before buying the essential reference books or joining any coaching you should complete them. The exam syllabus will seem much easier for you. First 2-3 months of your preparation should be focused on NCERTs only.
