# Why Optional Matter in UPSC CSE

Choosing the right optional subject in UPSC CSE Mains can significantly influence your chances of success. It's a highly strategic decision and should be based on multiple factors such as your background, interest, aptitude, availability of resources, and overlap with GS papers. Below is a detailed evaluation of each of the subjects you mentioned — both English and Hindi medium options — to help you make an informed choice:

## Optional Subject

### The Hidden Power in UPSC Mains

#### 500 Marks at Stake

Optional contributes **500 out of 1750** marks in the Mains exam. A high score here can **transform your final rank**.

#### The Real Differentiator

While GS papers level the field, the **optional creates the gap**. Many toppers owe their ranks to an outstanding optional score.

#### Scoring with Strategy

Optional subjects, with a **well-defined syllabus** and **less competition**, offer a chance to score **much higher than GS papers** — if approached smartly.

#### Subject Familiarity Pays Off

Choosing an optional aligned with your **interest or academic background** makes preparation smoother and answers stronger.

#### Overlap = Smart Preparation

Subjects like PSIR, Sociology, and Anthropology offer content that overlaps with **GS, Essay, and Interview**, giving you **multiple benefits from single preparation**.

# Exploring the Merits of Public Administration

## Simple and Easy to Grasp

---

Public Administration is widely considered a straightforward subject with easy-to-understand concepts.

## Helps in Prelims – Especially Polity

---

The subject gives you a clear advantage in Polity-related questions in the Prelims exam.

## Strong GS Overlap

---

Major overlap with GS Paper 2, Ethics (case studies), and Essay – making your overall preparation more efficient.

## Aligned with Civil Services Role

---

The subject closely reflects the real-world responsibilities of a civil servant, making it both practical and scoring.

## Proven Track Record

---

Public Administration has consistently had one of the highest selection rates among all optionals.
