

**RBI GRADE B 2026**

**COMPLETE CRASH COURSE**

**Batch Starting On 16th May 2026**

# What Will You Get in the RBI Grade B Comprehensive Crash Course?

## Live Interactive Lectures

---

- Complete coverage of Phase I (Preliminary Examination) & Phase II (Main Examination) syllabus
- Concept clarity with real-life regulatory case studies and previous year question (PYQ) integration
- Recorded access available for unlimited revision
- Expert faculty delivering current RBI monetary policy and financial regulation insights

## Detailed Class Notes

---

- Concise, exam-oriented notes for quick revision and last-minute preparation
- Topic-wise handouts aligned with the latest RBI Grade B exam pattern
- Easy-to-understand explanations with examples, data tables, and regulatory frameworks
- Downloadable PDFs for offline study and annotation

## Updated Current Affairs Coverage

---

- Monthly Current Affairs updates with RBI-specific focus (monetary policy, financial stability, banking regulation)
- Coverage through MCQs aligned with Phase I pattern
- Summary of key RBI reports, circulars, and policy announcements
- Practice questions based on current economic and regulatory developments

## Comprehensive Test Series

---

- Full-length mock tests simulating Phase I (objective) and Phase II (descriptive) patterns
- Sectional tests for English, Reasoning, Quantitative Aptitude, and General Awareness
- Detailed evaluations with performance analytics and comparison with peer candidates
- Solutions with shortcut techniques and time-saving strategies
