Tips & Tricks: Learning Elimination Techniques

Our Deliverables

The Success in Prelims Program is carefully structured into the following complementary components

1

75+ Offline Classes

Expert-led sessions designed to thoroughly revise the static and current affairs syllabus essential for Prelims 2025, ensuring conceptual clarity and retention.

2

75+ Discipline-Based Tests

Targeted tests conducted after each class to reinforce learning. Rankings will be published for every test to track performance and encourage healthy competition.

3

Comprehensive Revision Booklets

Well-structured revision booklets covering static and current affairs topics will be provided in softcopy format for in-depth preparation and seamless revision.

4

8 Complimentary Full-Length Simulator Tests

Experience the real exam environment with 8 GS and CSAT full-length mock tests, helping you build confidence and improve exam readiness.
