

WORLD , INDIAN & BIHAR MAPPING BATCH

24th September 2026

Master Geography Through Maps with Amit Shree Sir

Geography is not merely about remembering places—it is about understanding their location, significance, connections and relevance to the examination. **StudyIQ** brings a specialised **World, Indian & Bihar Mapping Programme by Amit Shree Sir**, designed to make Geography more visual, conceptual and application-oriented.

From comprehensive map-based learning and blank-map practice to PYQ integration, Mains value addition, **1000+ MCQs and complete mentorship**, the programme creates a structured ecosystem for strengthening Geography preparation for **Prelims as well as Mains**.

PROGRAMME HIGHLIGHTS

World + Indian + Bihar Mapping by Expert Amit Shree Sir

- Master the mapping of World, India and Bihar with a systematic approach covering important physical features, regions, locations, resources and places of examination relevance.
- Learn to visualise and connect geographical information on maps, making complex locations easier to understand and retain.
- Get expert-led guidance from Amit Shree Sir focused on developing practical, examination-oriented mapping skills.

Blank Outline Worksheets

- Practise important locations through blank outline maps, allowing you to test your geographical understanding independently.
- Strengthen location memory and map-reading ability through repeated hands-on practice.
- Use the worksheets as an effective revision and self-assessment tool before examinations.

PYQ Integration

- Analyse relevant Previous Year Questions alongside mapping concepts to understand how Geography is actually tested in competitive examinations.
- Identify recurring themes, important locations and frequently tested geographical concepts through PYQ-based learning.
- Learn to connect static geographical knowledge with actual examination requirements.

Mains Value-Addition Templates

- Learn how to incorporate maps, locations and geographical examples effectively into Mains answers.
- Get structured templates and guidance to make geographical answers more visual, precise and impactful.
- Develop an examination-ready approach to using mapping as a tool for answer enrichment and better presentation.

92-8999-6924

75-Days Class Programme

- Follow a structured 75-day learning programme designed to provide systematic coverage of World, Indian and Bihar mapping.
- Progress from understanding important locations to practical map application and examination-oriented practice.
- Maintain consistency through a clearly structured learning journey that combines classes, practice and revision.

1000+ Geography MCQ

- Strengthen your Prelims preparation with 1000+ Geography MCQs covering concepts, locations, mapping and important examination areas.
- Practise questions designed to improve accuracy, retention and application of geographical knowledge.
- Use extensive MCQ practice to identify weak areas and reinforce concepts through continuous testing and revision.

complete mentorship By Amit shree sir

- Receive continuous guidance throughout the programme on study strategy, revision, map practice and examination preparation.
- Get support in identifying preparation gaps and improving your approach through regular academic guidance.
- Stay accountable and consistent with a mentorship ecosystem focused on progress, practice and performance improvement.

THE STUDYIQ APPROACH

Understand → Locate → Practise → Analyse → Apply → Test → Revise

StudyIQ combines expert teaching with continuous practice and mentorship to transform Geography from a memory-based subject into a visual and application-oriented preparation experience.

Conclusion

Strong command over Geography comes from knowing not only what a place is, but where it is, why it matters and how it connects with the larger geographical landscape. With expert-led mapping by Amit Shree Sir, blank-map practice, PYQ integration, Mains value addition, 1000+ MCQs and complete mentorship, this programme provides a focused and structured approach to mastering World, Indian and Bihar Geography.

"अभ्यासेन तु कौन्तेय वैराग्येण च गृह्यते।"

Through consistent practice and disciplined effort, mastery can be achieved.
