NCERT books are must read books if you want to crack UPSC and other government exams. Why?

**You can not build a great building on a weak foundation.
NCERT is the base for all the government exams.
You should read them because ..**

01

Every year at least 30-35 questions are directly asked from NCERTs

02

They are written in very simple language and provide an easy to understand perspective.

03

Most importantly today's era is flooded with vast information, contents and materials. Here NCERT books will filter out the excessive information. They will be time and content efficient.

05

The topics also converge with the demands of the examination.

06

These books are not costly, readily accessible everywhere for all regardless of financial capacity

When should you read them?

The answer is very simple. From the very first day you decide to become an officer. Before buying the essential reference books or joining any coaching you should complete them. The exam syllabus will seem much easier for you. First 2-3 months of your preparation should be focused on NCERTs only.
