Preparing for OPSC? It's Time to Measure Your Readiness.

Success in the **Odisha Public Service Commission (OPSC) Preliminary Examination** depends not only on completing the syllabus but also on the ability to apply knowledge accurately under exam pressure. While many aspirants dedicate months to preparation, very few get an opportunity to assess their actual performance in a competitive environment before the examination.

To bridge this gap, StudyIQ brings the **OPSC Prelims 2025 FREE Open Mock Test**—a carefully designed initiative that allows aspirants to experience the real examination environment, evaluate their preparation, and identify areas that need improvement before the final battle.

Prepared by StudyIQ's expert academic team in accordance with the latest OPSC examination pattern, this mock test serves as more than just a practice paper. It is an opportunity to benchmark yourself against serious aspirants, analyse your strengths and weaknesses, and gain the confidence required to perform at your best on examination day.

Whether you are aiming to assess your current preparation level or fine-tune your exam strategy, this mock test can become a crucial milestone
