MPPSC 2027

PRELIMS + MAINS TARGET BATCH

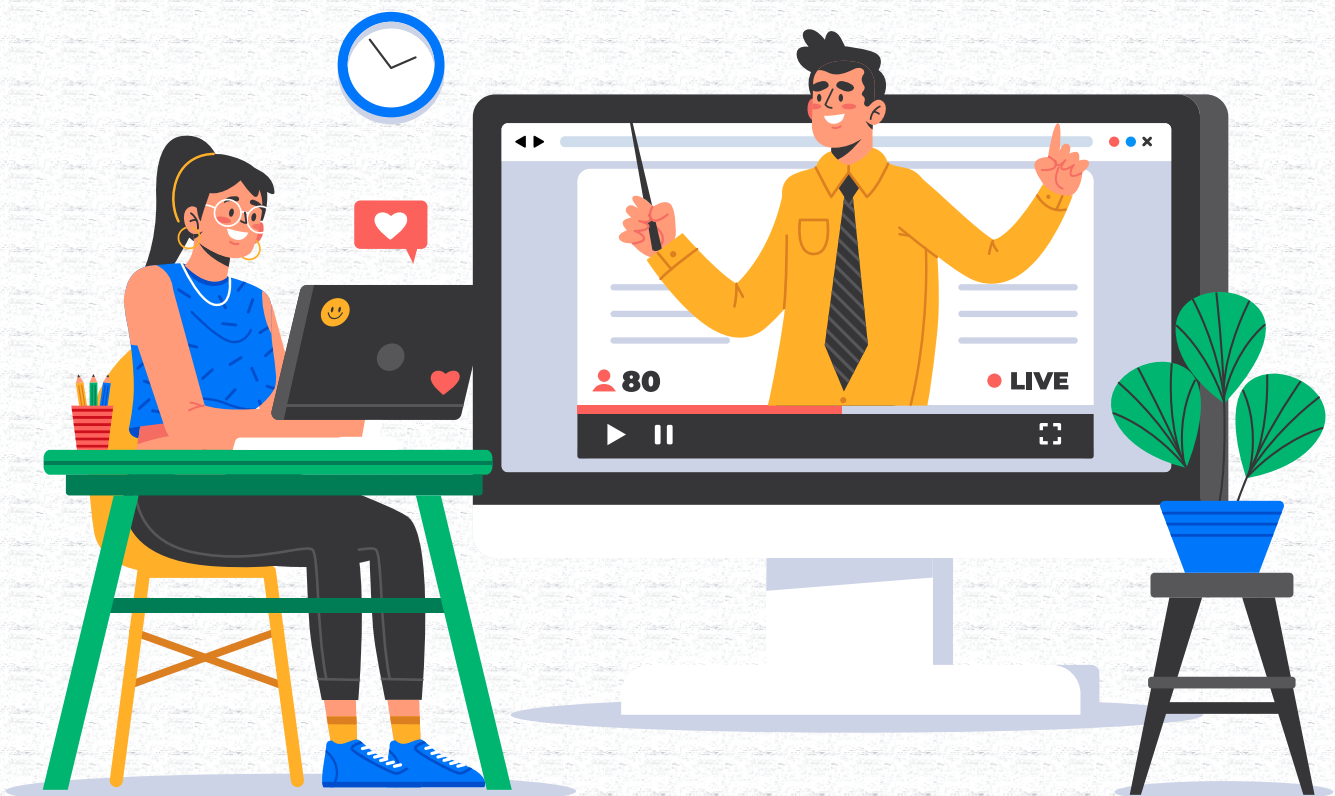

1st September 2026

For Aspirants Who Have Tried Before — But Are Ready to Make This Attempt Different

Some aspirants don't need another beginning—they need a **better strategy**. For candidates who have appeared in MPPSC before but could not clear Prelims or Mains, and for those who reached the Interview stage but missed the final merit list due to insufficient Mains marks, **StudyIQ presents SANKALP MPPSC 2027 – Prelims + Mains Target Batch**.

Designed specifically for experienced aspirants, this programme focuses on **course correction, targeted preparation, intensive answer writing, continuous testing, personalised mentorship, and score improvement**. Rather than repeating the same preparation cycle, Sankalp is built to identify gaps, strengthen scoring areas, and help aspirants approach MPPSC 2027 with a sharper and more result-oriented strategy.

Key Features of the Program

600+ Hours of Live & Recorded Classes

- Comprehensive coverage of the complete MPPSC syllabus through structured Live and Recorded classes.
- Flexible learning allows you to revisit important concepts, strengthen weak areas, and revise at your own pace.

Mains-Focused Learning + Prelims Strategy

- Special emphasis on Mains subjects, analytical preparation, answer writing, and high-scoring areas.
- Simultaneously build a strategic approach for Prelims through focused preparation, revision, and continuous testing.

Weekly Prelims & Mains Sectional Tests

- Regular sectional tests aligned with the topics completed in classes to ensure continuous evaluation.
- Detailed testing helps identify conceptual gaps early and enables timely corrective preparation.

Daily Answer Writing Modules

- Develop answer writing as a daily habit through regular MPPSC Mains-oriented questions and structured practice.
- Improve content quality, presentation, analytical approach, and time management through consistent writing.

MPPSC 2027 New-Pattern Year-Long Prelims Test Series

- Prepare through a dedicated Prelims Test Series designed around the latest MPPSC pattern and examination requirements.
- Continuous testing throughout the year helps improve accuracy, speed, elimination techniques, and exam temperament.

MPPSC 2027 Mains Test Series

- Gain access to a dedicated Mains Test Series after Prelims 2027 for focused examination-stage preparation.
- Practice full-length and subject-oriented Mains questions with an emphasis on answer quality, presentation, and scoring potential.

Special Focus on MP-Specific & Scoring Subjects

- Dedicated attention to Madhya Pradesh-specific topics that form a crucial part of MPPSC preparation.
- Identify and strengthen high-return, scoring areas to maximise marks across Prelims and Mains.

Summary Notes for Every Class

- Receive concise summary notes after classes to consolidate key concepts and important takeaways.
- Designed for quick revision, last-mile preparation, and efficient recall before tests and examinations.

Personalised Mentorship Ecosystem

24-Hour On-Call Doubt Resolution

- Get academic support for important doubts and preparation-related queries through dedicated on-call assistance.
- Ensure that doubts do not remain unresolved and disrupt your preparation cycle.

Daily Doubt-Clearing through Google Meet

- Participate in regular live doubt-clearing sessions for direct interaction and academic clarification.
- Address subject-specific difficulties, test-related queries, and preparation challenges in real time.

Weekly One-to-One Progress Review

- Discuss your weekly test performance, goal achievement, preparation status, and areas requiring improvement with your mentor.
- Regular reviews ensure accountability and help you stay aligned with your individual preparation targets.

Tailor-Made Preparation Strategy

- Your preparation strategy is customised according to your previous performance, strengths, weaknesses, and individual requirements.
- Mentors help you prioritise subjects, revision, tests, answer writing, and improvement areas instead of following a one-size-fits-all approach.

Weekly Faculty Group Mentorship

- Participate in dedicated group mentorship sessions led by experienced faculty members for strategy and examination guidance.
- Gain insights into revision planning, common preparation challenges, answer writing, and smart examination techniques.

Why Choose StudyIQ?

► Designed for Experienced Aspirants

- Sankalp is not a generic foundation programme; it is designed for candidates who understand the examination but need targeted improvement.
- The approach focuses on identifying previous mistakes and converting experience into better performance.

► Complete Prelims + Mains Preparation

- Prepare for both stages through integrated classes, testing, answer writing, revision, and strategic guidance.
- Continue your preparation seamlessly from Prelims 2027 to the Mains Test Series after the examination.

► Personalised Guidance, Not One-Size-Fits-All Preparation

- Regular one-to-one progress discussions and tailor-made strategies ensure that your preparation reflects your individual needs.
- Dedicated mentor support keeps you accountable, consistent, and focused on measurable improvement.

► Practice-Driven Preparation

- Weekly tests, daily answer writing, Prelims test series, and Mains test series ensure that learning is continuously converted into performance.
- Regular evaluation helps you understand not only what you know, but also how effectively you can reproduce it in the examination.

► StudyIQ's Integrated Learning Ecosystem

- Expert faculty, live and recorded classes, mentorship, testing, revision resources, topper interactions, and IGP come together under one programme.
- Every stage of your MPPSC journey is supported through a structured and connected preparation system.

Who Should Join SANKALP MPPSC 2027?

This Programme Is Specially Designed For:

- Aspirants who have made previous attempts but could not clear **MPPSC Prelims or Mains**.
- Candidates who have reached the **Interview stage but missed the final merit list** because of comparatively lower Mains marks.
- Experienced aspirants who understand the examination but need **better strategy, stronger answer writing, more testing, and personalised mentorship**.
- Candidates who want to approach MPPSC 2027 with a focused **Prelims + Mains integrated** strategy rather than repeating their previous preparation.

The SANKALP Approach

Analyse → Strategise → Practise → Evaluate → Improve → Repeat

- Sankalp is built around a simple objective: **identify what went wrong in the previous attempt and systematically work on what can make the next attempt better**.
- Every class, test, answer-writing module, mentorship interaction, and progress review is designed to move you closer to one goal—a **place in the final MPPSC merit list**.

Conclusion

A previous attempt is not a failure if it teaches you **where you need to improve**. The real challenge is to ensure that the next attempt is not a repetition of the previous one.

SANKALP MPPSC 2027 by StudyIQ is designed for aspirants who are ready to make that change—with targeted learning, daily answer writing, continuous testing, personalised mentorship, and an integrated Prelims-to-Mains preparation strategy.

If you have already walked this road once, **walk it differently this time**.

Analyse Your Past. Strengthen Your Present. Secure Your Future.

SANKALP MPPSC 2027 Because Your Next Attempt Should Be Your Strongest Attempt.
